ELIZABETH SCOGNAMIGLIO is a Regulatory Analyst for Porzio Pharmaceutical Services, LLC. Ms. Scognamiglio is a member of the core team responsible for developing, maintaining, and supporting Porzio AggregateSpendID, PPS's automated tool for the collation and reporting of marketing expenses. In this role, Ms. Scognamiglio serves as a primary customer contact and assists in the configuration and implementation of the system. Additionally, Ms. Scognamiglio is involved in the company's quality control processes and marketing initiatives.

Ms. Scognamiglio previously served on the organization's licensing services team. In this role, she assisted life sciences manufacturers and distributors with the acquisition and renewal of required state licenses. As a result, Ms. Scognamiglio possesses a thorough knowledge of the diverse licensing requirements related to legend and controlled drugs, medical devices, and over-the-counter products.

Ms. Scognamiglio received a Bachelor of Arts from Rowan University.
